EFED: Please review the protocol submitted by the cost-sharing consortium headed by United Phosphorus Inc. There will be 3 protocols to review for this bean. Their MRIDS are 50644001, 50644002, and 50644003. They correspond to guidelines SS-1196 (L. plumulosus), SS-1197 (C. dilutes), and SS-1197 (H. Azteca), respectively. As discussed, we would like these reviews completed no later than the end of September. Please contact me with any questions.

Thanks,

Jon Williams
